By now eligible members should have received their Safety / Production Bonus. If you didn't contact your Steward or Chief Steward.

Hopefully next month we will have the parameters / goals for this years Bonus.

I anticipate a more emphasis on individual safety compliance and participation in the preventative health care.

There has been a bunch of Executive Orders issued. Many members are concerned how these will affect their Security Clearances. We are in communication with our Representatives in Congress and are monitoring this closely.

We have over the past several years tried to get the restrooms repaired and reopened.

The Facilities Dept has been working to accomplish this. However, people are damaging the restrooms. This really doesn't make much sense. A few people are ruining the efforts to provide us with a little more comfort.

Please work safely, and continue the good work you do.

As Always, I Remain  
Fraternally Yours

## DIGNITY AND RESPECT

These are two words and actions you should think about when you are addressing any matters with coworkers or supervision. If there is an issue speak to your Union Steward.

## UNION MEETINGS

Union meetings are important, and I encourage you to come and participate in the affairs of our Union. The monthly meetings normally last about 30 minutes and your participation will help to make this Union even stronger.

## 2024 HOLIDAY FLOATERS

The deadline for using any 2024 Holiday Floaters is February 28, 2025. They must be taken in eight (8) hour increments. They will be lost unless you were prevented from taking them based on you working during the holiday shutdown. In such cases you will be reimbursed eight (8) straight time hours for each floating holiday lost (including any applicable shift premium). Notify your supervisor if this applicable to you.

## GENERAL WAGE INCREASE AND YOUR 401(K)

You will be receiving a 4.0% wage increase on March 16th. This would be great time to increase your 401(K) deduction. Years from now you will be thankful that you did this!!!

## "Weingarten" Rights

If **YOU** are sent to **SECURITY** for any reason or are being questioned by **MANAGEMENT**, **YOU** should request a **STEWARD**. **YOU** do not have to answer any questions until you have **UNION REPRESENTATION**.

Youtube Weingarten Rights: Training for Shop Stewards. View the brief ten minute video from OPEIU Local 8.

We have a new Department Manager, Jordan Dumas. I had the opportunity to sit down with him and explain some of our concerns within the department. I'm looking forward to working with him to make the best of our department.

We have several road jobs that could potentially be available. However, things are always subject to change. Once I have definite information about the road jobs, I will inform my stewards, and they will pass on the details to you.

**Debit Card Replacement** : If you happen to lose your Fidelity Health Savings Account (HSA) Debit Card, log onto FidelityDebitCard.com to request a new one.

**Subbase NSSF and ARDM Shippingport request form** : The Department will no longer survey, you will have to fill out a form. See your steward for this form.

**Stewards** : First shift Stewards: Allen Claar All Nuclear issues 860-237-1114, Ron Ingves 860-334-8141, Chris Wilson 860-961-2930, Alternate Dan Sager 860-941-4236

Second shift Stewards: Matthew Cassidy 860-989-9600

Third shift Stewards : Jose Mendes Alternates Elaine Key 860-460-7621

**SAFETY** : Just a reminder that safety is everyone's concern. If you see an unsafe act you should report it to your Union Steward or M.T.C. Safety Steward. They will take the necessary actions to correct the situation. Contact MTC safety at 860-445-6383.

If you are sent to Security for any reason or are being questioned by any Management, **YOU SHOULD REQUEST A STEWARD !!! REMEMBER, YOU HAVE THE RIGHT TO UNION REPRESENTATION, AND YOU DON'T HAVE TO ANSWER ANY QUESTIONS WITHOUT THIS REPRESENTATION.**

**IMPORTANT**: Members who are out of work on any leave of absence such as Workers Compensation, Sedgwick short term disability insurance, FMLA, etc. it is your responsibility to pay your portion for medical, dental, and vision. You can be dropped from your benefits if you don't keep up your payments.

Please don't forget to notify the Union Hall (860-442-8281) if you change your address, phone number, or name. **We need to have the correct information!**

When you notify the company of these changes they do not give the Union this new information. We appreciate your cooperation in this matter.

**REMINDER**: If you are out of work on compensation or accident & sickness insurance or any unpaid leave it is your responsibility to pay your dues. If your dues fall behind more than three months, your membership could be suspended. If you are out of work and have any questions regarding your dues, please call the Union Hall at 860-442-8281.

**IMPORTANT**: It is advised that you notify me one week in advance or as soon as you know when you will be returning to work from any Medical, Compensation or unpaid leave. The company doesn't know if you kept your dues paid up while you were out. It is important that I know your return date so I can submit a letter to the company to have your dues zeroed out under non collected. Once the company takes out your dues it will take me at least a month to return your money.

The monthly Union meeting of Painters' Local #1122 will be held every 4th Monday of each month at the Union Hall 597 Broad St., New London, Ct. at 7:00 PM. Second shift employees please give your foreman 24 hours notice if you plan to attend the meeting. If you have any problems/issues to discuss, the union meeting is the place to do this.

If I can be of any assistance to you, please don't hesitate to contact me. My numbers are 401-573-6956 and my email is painters.union@yahoo.com.

Thank you for your ongoing support.

Everyone eligible should have received their bonus paid to

them on the 31st of last month. Any issues please let your area steward

know, we have 3 we know of and are working on. There were also issues on the

retention bonus paid out that are also being addressed. Even though we have

entered a new year, we already have members in trouble for attendance issues.

Lost time is the hardest issue to defend.

Either you are here or not. If not, you have to have entitlement time to

cover it. Make sure you give advance notice if you are going to be out,

and make use of the floaters to pick up some extra time. Also, even

though our hiring has slowed down considerably, discipline does not

seem to be following the same path.

Our next scheduled pay increase is on March 16th, a 4% increase, and our next

paid holiday is Good Friday , April 18th

Hello Brothers and Sisters:

With the unfortunate loss of our Recording Secretary, we will be holding nominations for the Recording Secretary position at our next Union meeting February 11,2025 and the election will be held during our March Union meeting. Congratulations to the 12 Boilermaker Apprentices from Cohort 6 that graduated last month! As a reminder for anyone with floaters remaining, you have till February 28,2025 to use them or you will lose them unless affected employees are prevented from taking them based on working during the holiday shutdown. In such cases, affected employees will be reimbursed eight straight time hours for each floating holiday lost.

### Important

If you are going to be put on notice, disciplined, or sent to Security for any reason, you should request a Union Steward!! It's your right to Union representation, and you don't have to answer any questions without Union representation present.
